# *Working Together, We Are Taking on the World!*

Team Canada Inc is a partnership of federal, provincial and territorial governments helping Canadian companies succeed in world markets. We asked hundreds of Canadian businesses what they wanted. They told us they are looking for faster, easier access to the international business services that governments offer – Team Canada Inc is the result. Now, with just one telephone call, the trained information officer in your region will answer your questions and connect you with the right programs and services for your needs.

*Team Canada Inc* – Your first stop en route to the information, counselling, market intelligence, financial assistance and on-the-ground support you're looking for...
